PRAGYA PRIYAM.

CREATIVE STRATEGIST AND DESIGN LEAD

I lead brand and design work from the first brief to the final file: identity systems, campaigns and digital products. Over six years I've worked with global companies and early-stage startups, and managed design teams of 20+, across consumer goods, beauty, fintech, real estate and more.

ABOUT

Creative strategist and design lead pairing six years of hands-on design with an MBA in Strategy & Leadership, working where brand strategy meets execution. I lead teams and systems that make big brands consistent and young brands memorable.

From Istanbul and London to Dubai and Pennsylvania, I have directed identity, campaign and product work for global enterprises and fast-growing ventures, from an award-winning brand transformation in enterprise software to a full product launch in fintech.
